APPROVED SIGN COLOR GUIDE

BEAUFORT COUNTY CORRIDOR OVERLAY DISTRICTS

Color requirements for predominant color design is reviewed for compatibility with Lowcountry or coastal vernacular palette which include traditional historic colors(Historic Charleston), earth tones(greens, tans, light browns and terra cotta), grays, pale primary and secondary colors (with less than 50% value), white, cream tones and Oxblood Red. Accent colors (i.e., black, dark blues, grays and other dark colors) may be used on a limited basis.
